Important Data Entry Notice for questions 31 thru 43

In order for your data to be saved, the numbers in each section must add up correctly. Please enter zeroes where appropriate.

The totals for each section (undergraduates and graduates) must be completed if any of the fields preceding the total fields are used.

If there are entries in questions 31, 32 or 33, questions 34, 36, 41 and 43 must also be completed or the ALL of the data that you have entered will not be able to be saved and will be deleted.

If there are entries in questions 37, 38 or 39, questions 40, 42 and 43 must also be completed or ALL of the data that you have entered will not be able to be saved and will be deleted.

Question 43 must be the sum of questions 41 + 42 or ALL of the data that you have entered will not be able to be saved and will be deleted.

Last, in all cases questions 41 and 43 must be completed in order to submit the survey.

Six-Year Graduation Rate for the 2007 Entering Class. The following questions ask for information needed to calculate the six-year graduation rate for the cohort of full-time, first-time, bachelor's (or equivalent) degree-seeking undergraduate students who entered your institution in the Fall of 2007. This number INCLUDES students who entered your institution during the Summer term preceding Fall of 2007.

Income-based Graduation rates

In the following section, please disaggregate the fall 2007 cohort into three groups:

- · Students who received a Federal Pell Grant
- Recipients of a subsidized Stafford Loan who did not receive a Pell Grant
- Students who did not receive either a Pell Grant or a subsidized Stafford Loan

Students who received both a Pell Grant and a subsidized Stafford Loan should be reported in the "Recipients of a Federal Pell Grant" column.

For the two graduation rate grids, the sum of the three columns in each line of the income-based grid (84 - 91) should equal the figure in the corresponding grid above (76 - 83).

91. Six-year graduation rate for 2007 cohort	74 %	78 %	86 %

Note: Students are to be considered to have received a grant or loan if they received it for the period used for determining the cohort - fall term. The Higher Education Opportunity Act (HEOA) (Sec. 488(a)(3)) requires that graduation rates must be disaggregated by these categories and disclosed to the public.

Historical six-year graduation rates.

Please verify the percent of first-time, full-time, degree-seeking freshmen who entered in:

- 92. Fall 2005 and completed a bachelor's degree from your school before fall 2011 83 %
- 93. Fall 2004 and completed a bachelor's degree from your school before fall 2010 82 %

94. **Freshman retention rate** (CDS B22) For the cohort of all first-time, full-time, bachelor's degree-seeking undergraduate students who entered your institution in fall 2012 (or the preceding summer term), what percentage was enrolled at your institution in fall 2013 (i.e. enrolled on the date your institution calculates its official enrollment for fall 2013)? Note that the initial cohort can be adjusted ONLY for the number of students who departed to serve in the armed services, on official church missions, or in a recognized foreign aid service of the U.S. government; who died, or who became permanently disabled. 94 %

Historical retention rates Please confirm the following historical freshman retention rates (calculated as above). The percentage of first-time, full-time, degree-seeking freshman who entered in:

- 95. Fall of 2011 and returned to your institution in fall 2012 94 %
- 96. Fall of 2010 and returned to your institution in fall 2011 94 %
- 97. Fall of 2009 and returned to your institution in fall 2010 94 %

First-time, first-year (freshman) students (CDS CI): Provide the number of degree-seeking, first-time, first-year students who applied, were admitted, and enrolled (full- or part-time) in fall 2013. Include early decision, early action, and students who began studies during summer in this cohort. Applicants should include only those students who fulfilled the requirements for consideration for admission (i.e., who completed actionable applications) and who have been notified of one of the following actions: admission, non-admission, placement on waiting list, or application withdrawn (by applicant or institution). Admitted applicants should include wait-listed students who were subsequently offered admission. Fall 2012 data is included for your reference.

Undergraduate Alumni Giving: Please enter information on undergraduate alumni giving, as defined below. As noted, *exclude* former students who earned only graduate degrees and undergraduates who didn't graduate from your institution. Additionally, exclude all student giving (e.g., senior class gift) unless you count the entire senior student body in the alumni of record total.

Please follow the standards set by the Council for Aid to Education (CAE) and the Council for Advancement and Support of Education (CASE), and used for reporting to CAE for the Voluntary Support of Education Survey when answering these questions.

What was the number of <u>undergraduate</u> alumni of record at your institution? (Alumni of record are former full- or part-time students with an undergraduate degree from your institution and for whom you believe you have a valid address or other way to make contact (telephone, email, etc.))

- 276. Number of undergraduate alumni of record in 2012-2013: 212,983
- 277. Number of undergraduate alumni of record in 2011-2012 (provided for your reference): 208,571

What was the number of undergraduate alumni solicited at least once during the year?

- 278. Number of undergraduate alumni of record solicited in 2012-2013: 207,501
- 279. Number of undergraduate alumni of record solicited in 2011-2012 (provided for your reference): 204,380

What was the number of <u>undergraduate</u> alumni donors for your institution in the following years? (Alumni donors are alumni with undergraduate degrees from your institution who made one or more tax-deductible gifts from either themselves or their legal spouse/partner for either current operations or capital expenses during the specified fiscal year.) Exclude all soft-credit only contributions — only report on IRS reportable gifts.

- 280. Number of undergraduate alumni donors in 2012-2013: 23,550
- 281. Number of undergraduate alumni donors in 2011-2012 (provided for your reference): 23,760

Note: The alumni giving data reported to U.S. News should be the same as what was reported to the Council for Aid to Education for undergraduate alumni in its annual Voluntary Support of Education Survey. If you do not break down undergraduate-only giving for the CAE survey, you must still do so for this report.

Faculty Salaries 2013 - 2014 Academic Year: Please report salaries for full-time instructional faculty, defined as full time faculty whose regular assignment is instruction. *Include* those on paid leave. *Exclude* administrative officers with titles such as dean, librarian, and registrar, even if they devote time to instruction. *Exclude* non-professorial rank faculty with title of instructor, lecturer or no-rank. *Exclude* faculty on unpaid leave, but *include* visitors who are temporarily replacing them. Full-time salaries other than 9- or 12-month should be converted to an academic year before inclusion. If you are not able to separate fringe benefits from salary, you may indicate the combined figure in the total expenditures column.

Note: These definitions and the line references refer to those found in the annual AAUP survey of faculty compensation.

(CDS I-1). Please report number of instructional faculty members in each category for Fall 2013. Include faculty who are on your institution's payroll on the census date your institution uses for IPEDS/AAUP. Fall 2012 data is provided for your reference.

The following definition of full-time instructional faculty is used by the American Association of University Professors (AAUP) in its annual Faculty Compensation Survey (the part-time definitions are not used by AAUP). Instructional faculty is defined as those members of the instructional-research staff whose major regular assignment is instruction, including those with released time for research. Use the chart below to determine inclusions and exclusions:

	Full-time	Part-time
(a) instructional faculty in preclinical and clinical medicine, faculty who are not paid (e.g., those who donate their services or are in the military), or research-only faculty, post-doctoral fellows, or pre-doctoral fellows	Exclude	Include only if they teach one or more non-clinical credit courses
(b) administrative officers with titles such as dean of students, librarian, registrar, coach, and the like, even though they may devote part of their time to classroom instruction and may have faculty status	Exclude	Include if they teach one or more non-clinical credit courses
(c) other administrators/staff who teach one or more non- clinical credit courses even though they do not have faculty status	Exclude	Include
(d) undergraduate or graduate students who assist in the instruction of courses, but have titles such as teaching assistant, teaching fellow, and the like	Exclude	Exclude
(e) faculty on sabbatical or leave with pay	Include	Exclude
(f) faculty on leave without pay	Exclude	Exclude
(g) replacement faculty for faculty on sabbatical leave or leave with pay	Exclude	Include

Full-time instructional faculty employed on a full-time basis for instruction (including those with released time for research)

Part-time instructional faculty: Adjuncts and other instructors being paid solely for part-time classroom instruction. Also includes full-time faculty teaching less than two semesters, three quarters, two trimesters, or two four-month sessions. Employees who are not considered full-time instructional faculty but who teach one or more non-clinical credit courses may be counted as part-time faculty.

Minority faculty: includes faculty who designate themselves as Black or African American; American Indian or Alaska Native; Asian; Native Hawaiian or other Pacific Islander; Two or more races; or Hispanic.

Doctorate: includes such degrees as Doctor of Education, Doctor of Juridical Science, Doctor of Public Health, and Doctor of Philosophy in any field such as arts, services, education, engineering, business, or public administration. Also includes terminal degrees formerly designated as "first-professional," including dentistry (DDS or DMD), medicine (MD),

optometry (OD), osteopathic medicine (DO), pharmacy (DPharm or BPharm), podiatric medicine (DPM), veterinary medicine (DVM), chiropractic (DC or DCM), law (JD).

Terminal Master's degree: a master's degree that is considered the highest degree in a field: example, M. Arch (architecture) and MFA (master of fine arts in art or theatre).

Student to Faculty Ratio: (CDS I-2) Report the Fall 2013 ratio of full-time equivalent students (full-time plus 1/3 part time) to full-time equivalent instructional faculty (full time plus 1/3 part time). In the ratio calculations, exclude both faculty and students in stand-alone graduate or professional programs such as medicine, law, veterinary, dentistry, social work, business, or public health in which faculty teach virtually only graduate level students. Do not count undergraduate or graduate student teaching assistants as faculty.

Undergraduate Class Size (CDS I-3): In the table below, please use the following definitions to report information about the size of class sections offered in the Fall 2013 term. Fall 2012 data provided for your reference.

Class Sections: A class section is an organized course offered for credit, identified by discipline and number, meeting at a stated time or times in a classroom or similar setting, and not a subsection such as a laboratory or discussion session. Undergraduate class sections are defined as any sections in which at least one degree-seeking undergraduate student is enrolled for credit. Exclude distance learning classes and noncredit classes and individual instruction such as dissertation or thesis research, music instruction, or one-to-one readings. Exclude students in independent study, co-operative programs, internships, foreign language taped tutor sessions, practicums, and all students in one-on-one classes. Each class section should be counted only once and should not be duplicated because of course catalog cross-listings.

311. <u>Unique Qualities during the 2013-2014 academic year.</u>

As part of each entry in a directory of colleges and universities, U.S. News would like to feature a brief description of the school's mission and unique qualities. Please provide a summary of what makes your school special. What are its strengths and attributes? *Maximum number of allowable characters is 4000*. Please do not include bullets, paragraph breaks, special characters, or other special formatting.

Established by a charter adopted by the Georgia Legislature in 1785, the University of Georgia is the first university in America to be chartered by a state government. The principles embodied in its charter 'that education is the foundation of a democratic society and a right of all citizens, and that providing education is the responsibility of government' helped give rise to the American system of public higher education. UGA's picturesque 759-acre campus, in the Appalachian foothills about 70 miles northeast of Atlanta, is adorned with many 19th century buildings including Old College (1806), and the University Chapel (1832). North Campus, featuring quads with century-old trees and scenic green spaces, is listed on the National Register of Historic Places. Other notable campus features include bike paths, quiet gardens, one of the nation's largest student recreation/fitness centers and one of the oldest cemeteries on an American university campus (dating to 1814). UGA is Georgia's most popular college (more than 21,000 applications for the 2014 freshman class) and has one of the nation's largest and oldest Honors Programs, attracting superior students from across the country. UGA is a national leader among public universities in the number of major scholarships earned by its students. UGA students have earned 23 Rhodes Scholarships, 46 Goldwater Scholarships, 19 Truman Scholarships, and six Marshall Scholarships. In 2008, UGA was the only public university in America with two Rhodes Scholars. The student satisfaction rate is high with 94 percent of freshmen returning as sophomores. Georgia's HOPE Scholarship keeps in-state student costs among the lowest at major public universities, and UGA ranks in the top 10 among research universities in the number of students who study abroad each year. Long a research leader in such fields as agriculture, biology and biotechnology, UGA is rapidly building strength in human and animal health and biomedicine with its College of Public Health, Biomedical and Health Sciences Institute and Cancer Center. A physician education program developed jointly by UGA and Georgia Regents University began in 2010 and will help offset a severe shortage of doctors in Georgia. A 56-acre Health Sciences Campus houses the Medical Partnership, College of Public Health and other health-related programs. The Eugene P. Odum School of Ecology, opened in 2007, is the world's only standalone school devoted to ecological studies and research. UGA's Grady College of Journalism and Mass Communication is home to the prestigious Peabody Awards, the world's oldest prize in electronic media. In addition, the Peabody Archives in the Richard B. Russell Special Collections Libraries contain some of the best radio, television and cable programs ever produced. UGA is home of Georgia's official state botanical garden, state art museum and state museum of natural history, as well as the Georgia Writers Hall of Fame.

POPULAR MAJORS (*CDS J*) Using CIP 2010 codes, please identify the five majors with the largest percent of bachelor's degrees awarded by your institution between July 1, 2012 and June 30, 2013. Only five majors can be entered. For more information on CIP 2010, visit http://nces.ed.gov/ipeds/cipcode/Default.aspx?y=55. Last year's information (2012 graduates) is included for your reference.

Majors and Minors offered

Note: Please use CIP 2010 codes in answering questions 313 and 314. When reporting majors in question 313 below, please do not list majors in conjunction with a concentration, emphasis, minor, or subject area. Concentrations, etc., may be reported in question 314.

In the box underneath the "Majors available" header, click on a CIP code to highlight the major category. This will open another box directly below which lists the sub-categories of majors (CIP codes with up to 4 digits to the right of the decimal place). The sub-categories are arranged by ascending CIP code number. Once you've highlighted a major (you may click and drag your mouse to highlight multiple selections), click on the right arrow in the middle column, which will move your selection to the "Majors offered" column. To undo a selection, highlight the CIP code in the "Majors offered" column and click on the left arrow. The "view only" section will only display the CIP code, not its full description.

FOR THIS SURVEY:

- Intercollegiate sports are those recognized by either the NCAA or NAIA. Athletic scholarships are only available to NCAA Division I and II and NAIA sports.
- Intramural sports are competitive sports played at your institution among other students at your institution.
- Club sports are not governed by the NCAA or NAIA, may have separate championships, and/or may have intercollegiate contests. For this survey, athletic scholarships may not be reported for club sports.

449. **Religious preference:** Estimated religious preference percentage of fall 2013 enrolled undergraduate students. The religion listed in 449j can only be changed by updating Q9. If your school's religious affiliation appears in both 449j and one of either 449a thru 449g, then only fill out the percentage of students with that religious preference in question 449j. Only one religion can be listed in 449k. (Percentages must equal 100% to be saved).

Note: Only answer the religious preference question if it's based on a survey of students.

a. Catholic	10.0 %	h. claim no religious preference	46.0 %
b. Protestant	35.0 %	i. don't know	<u>%</u>
c. Jewish	2.0 %	j. Religious affiliation (Q.9)	<u>%</u>
